Give me Spring ...

Give me a small flower from the golden fields,
Or just a small piece of clear blue sky.
Or a blade of that tender green grass,
For these are things you can't buy.

Give me a section of that peace and beauty,
Or a bluebird to sit on my shoulder,
Or a carpet of green to walk upon,
Let me have these before I grow older.

Give me the song of the frog at night,
And all the happiness that nature will bring,
Give me the sun and the summer breeze,
That's all I want - give me Spring.

ANOTHER MILLION DOLLAR PROJECT

Efforts are now underway to build a fully modern beautiful hotel and shopping complex in St. Albert, subject to the approval of the Alberta Liquor Control Board. This hotel will be located on a four acre plot of land immediately north of the Shopper's Park area. It will be a fully modern hotel of very attractive and pleasing architectural design, that shall be second to none in the Edmonton area. It will contain a swimming pool, convention hall, banquet room, and other much needed recreational features, numerous retail stores, to add to the present shopping facilities in Shopper's Park, and large parking area.

Such a building complex will be of great value to our taxpayers. It would add another \$20,000. or more annually to help our tax department, and making the tax picture much better for all St. Albert taxpayers. It creates employment for approximately 100 of our local residents. Such a payroll would be very impressive and a tremendous help to our economy.

The unseen benefits of this kind of a venture are extensive and far reaching. There would be valid and definite reasons for other commercial and industrial enterprises to locate in our town and adjoining industrial areas. It would increase and give added impetus to all retail businesses and the other related activities such as those employed in building and developing. It would be an inducement for increased house sales and construction.

The need for a hospital, museum and other public services would be increased. St. Albert would attract all those people residing in the rich and prosperous farming areas North and all around this town. These people number many thousands. It would also increase the interest of many of our large department stores and we can anticipate having one of them locate in St. Albert.

Our Mayor and Council, and Town Administrator, have shown their ability and consideration for the best interest of our residents and taxpayers, by approving in principle the building of this hotel. Other important authorities, service clubs and civil organizations are lending their support to this hotel and its advantageous location.

St. Albert has a definite need for class "A" hotel accommodation for those many businessmen, friends and relations who come into our town. The residents of the Youville Nursing Home, with its many rooms and elderly people, have friends and relations coming into St. Albert from all over Alberta. There are many other local reasons which can be verified for a need for class "A" accommodations which are too numerous to outline here.

This venture would be of tremendous economical and far reaching advantages to each and every resident of St. Albert and its surrounding environs, and deserves all the support available so that those in authority will grant us permission to build as soon as possible.

JOIN YOUR CHAMBER

The executive of our very active St. Albert and District Chamber of Commerce has decided to have a Membership Drive from April 12 to 18. We would like to repeat that our Chamber, very hard working people, tries to convince our citizens that they should become a living part in our community, that our retail stores should co-operate closely to promote St. Albert's business future, that we should have in our town a modern, fully equipped hospital, hotel with banquet hall, etc. The Chamber also keeps up a good relationship with our Council, churches and organizations, and always has an open ear for the needs of all our citizens. This means that the Membership Drive appeals not only to businessmen but to all of us because the Chamber needs the moral and financial help of individuals as well as businesses. The Membership Committee consists of Jack Manarey, Gene Roussell and Lion Perry. We sincerely hope that these three men will be supported during this drive as much as possible and that our Chamber has a tremendous increase in their membership.

We should never forget that the past has proven that every town or city needs an active Chamber of Commerce to be a thriving and progressive community. Therefore we urge you to join the St. Albert and District Chamber of Commerce.

"THE LARGEST"

If everything goes as the Local Authorities Board has planned, St. Albert will become the "largest" town in Alberta on August 17th, the day the present largest town, Jasper Place, becomes part of Edmonton. We hope that the citizens of our good town aren't getting excited over this "big" event, and that they can forget this meaningless title as soon as possible. Being the largest town in Alberta wasn't always so pleasant for the present title holder. It certainly hasn't brought any economical or financial advantage over the smaller towns.

To boast the "largest", "biggest", "greatest" is becoming more and more popular, amongst many of us. Not long ago we were informed that the Alberta Government had one of the biggest budgets in all of Canada. It speaks well for many Albertans that this kind of "biggest" didn't impress them, and that this boast was generally disapproved.

We shouldn't be affected or impressed by all those "ests", not from Khrushchev with his "biggest and strongest" army, or Cassius (Lay) as the "greatest" fighter in the world. History has proven time and again, that all these "strongest" and "biggest" (e.g. Hitler, Mussolini, Tojo, and the numerous South American dictators) fell, and were soon forgotten and disregarded by nearly everyone. We are only the "greatest, biggest and strongest" if we do not think we are, and can see our neighbor to be bigger, greater and stronger than ourselves. Such great people as Father Lacombe, Florence Nightingale, President Kennedy and others who spend their whole lives working for others are remembered as among the greatest of our human race.

It won't help St. Albert a bit to become the largest town in Alberta. It certainly won't solve our financial and economical problems, and it won't increase the respect for our town throughout the Province of Alberta.

Let's work further and forget all about it. Let's try for strong co-operation between all the citizens in our town. Let's work for a healthy community, with respect for each other's opinions and beliefs. Let's promote large industry so that our town can have a solid financial basis. And lastly, let's try to solve our problems together in harmony with the strong belief that St. Albert will have a great future. If we do all this, then we will be the "biggest, strongest and greatest" in the eyes of all those men and women who believe that the real meaning of life is to serve the community and neighbor as thyself.

6-3?

School Trustees, administrative staffs, and wives, of the St. Albert Public School District No. 3 and the St. Albert Separate School District No. 6 met Sunday afternoon, April 5 to hold their first annual curling bonspiel. Each district sponsored three rinks. Competition was fierce! However, the gathering assumed a more relaxed atmosphere when the curlers adjourned to the Legion Hall for a buffet luncheon.

Information regarding wins and losses cannot be published, but, it is understood from sources in District No. 6 that all future competitions will be held on the golf course.

The St. Albert & District Invitational Tournament was held on March 18th.

SUNDAY PROGRAM

Edmonton Public Library

On Sunday afternoon, April 12, from 2
to 3 p.m., the Public Library presents
another program of stereo music from
its record collection. This week, Karl
Bohm conducts the Berlin Philharmonic
Orchestra in three Mozart symphonies,
No. 35 in D major (Haffner), No. 32 in
C major, and No. 38 in D major (Prague).

Film Program Sunday April 12 3 p.m.
Lonely Boy Paul Anka rose from obscur-
ity in Ottawa to stardom in America's
multi-million-dollar entertainment in-
dustry in five short years. This film
takes a candid look at the astonishing
transformation of an entertainer into an
idol worshipped by thousands of adoles-
cent fans around the globe.

Canada in World War One Shows the first
World War in the context of world dev-
elopments before and since. From the
royal assassination that triggered it,
to the Armistice that ended it, the film
places in perspective the war that was
to end war.

Morning on the Lièvre Canadian poet
Archibald Lampman described in verse
the dazzling beauty of the Lièvre River
in Quebec, as it winds past maple-wooded
hills in late September. In this film
you see the river through the poet's
eyes - the smoky mists of morning, the
golden sunward side of mountains, the
arrowed flight of migrant ducks.

Films Francais Mardi, Avril le 14 7:30
Sur la Piste du Castor Ce voyage au
pays de la fourrure débute au vieux
poste de Moose Factory, sur la baie
James. De là, le film suit un trappeur
qui s'en va relever ses pièges. Par des
froids polaires, couchant à la belle
étoile, il écorche lui-même visons et
castors et fait sécher les peaux. A son
retour au poste, ce luxueux butin lui
permet de payer à toute la famille un
Noël dont elle se souviendra.

La Misère des Autres Le film recon-
struit quelques drames de famille tels
qu'ils éclatent par centaines dans une
grande ville. Des mères de familles
sont enlevées à leurs enfants par la
folie, la maladie, la prostitution. Au-
cune classe sociale n'est à l'abri de
la misère. Avec beaucoup de tact, de
discretion et de patience, le travail-
leur social parvient à soulager la mis-
ère des autres.

Les Bois et les Cuivres A un concert
pour les jeunes, à Ottawa, le directeur
Eugene Kash initie son auditoire aux
bois et aux cuivres et invite des musici-
ens à jouer de ces instruments. Il
illustre sa leçon à l'aide d'un sifflet
en tilleul et démontre que les bois de
l'orchestre: flûte, piccolo, clarinette,
hautbois et basson, sont des versions
plus complexes de ce primitif instrument.
Il explique aussi le fonctionnement des
cuivres, trompettes, trombones, cors
d'harmonie et tubas.

ST. ALBERT INVITATIONAL BONSPIEL

The first St. Albert Invitational Bonspiel was held on the 4 and 5 of April. This event was the first of what is hoped to be an annual event.

The A Event was taken by G. Mollveen in what proved to be the best game of the Spiel. The game was tied up in the nin-

th end. B. Bruyer had last rock in the tenth. G. Mollveen made a brilliant angle-raise take-out to remain shot, buried behind three other rocks. B. Bruyer then tried the same shot and missed by mere inches. G. Mollveen won the game 9-8.

The results were as follows:

A Event: 1st G. Mollveen, P. Cantier, M. Romanow, N.J. Ross. 2nd B. Bruyer, R. Mitchell, R. Speers, S. Mulcahy. 3rd K. B. Kyle, O. H. Allart, R. E. McLean, A. Archibald.

VOCATIONS EXHIBIT

A Vocations Exhibit in the St. Albert Parish Hall is being planned by the local Knights of Columbus Council during the week of April 17 to 24.

About 50 religious orders and lay organizations from Canada and the U.S. will be represented. Many of these will have someone present to give information about their role in today's world.

The official opening of the exhibit will start with a high mass at 7:30 p.m. and procession of the various participants followed by the blessing of the booths. Besides the vocations displays themselves, there will be points of special interest to visit on the tour: The Star of the North Retreat House, St. Joseph's Seminary, the Father Lacombe Museum, the Crypt, the Grotto, and the historical St. Albert cemetery, all sources of inspiration, especially for the young about to choose their vocation.

The previous major exhibit of this kind took place at St. Alphonsus Church in Edmonton about 8 years ago. Commenting on this coming event, Mr. Cliff Gallant, Grand Knight, K. of C. Council 4742, expressed the hope that there would be a good attendance at the display in view of the considerable amount of planning done by the organizers and the distance travelled by the participants. Mr. Gallant suggests that large groups would do well to notify him of the date they intend to visit the exhibit. It would be possible then to prepare a schedule and avoid congestion.

From Our Readers

Dear Sir,

It's Working

The Trio-Teen Club wish to thank everyone who pitched in and helped us when we needed help most. We feel you have really "given us the chance" we asked for.

We now have the use of the Sir Alexander Mackenzie School Auditorium for our Club meetings every Monday night from 8:15 to 10:30 p.m. when we enjoy such activities as volleyball, badminton, table tennis, etc.

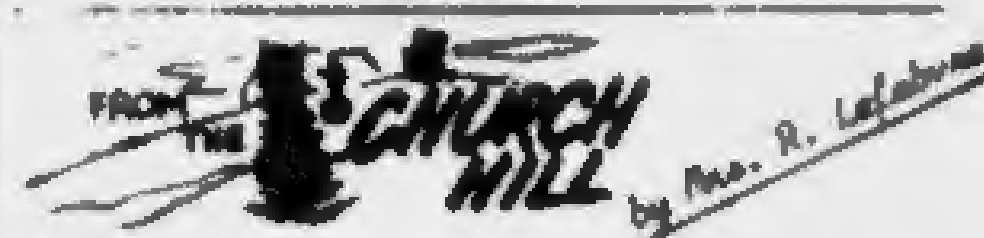

We also have a list of people who have very generously offered to act as chaperones for our Social evenings or dances when we need them (would anyone else who would be willing to spend an occasional evening to help us in this capacity please phone Pat Fontaine 599-6227). We also would like to thank the St. Albert Tennis Club who have so generously offered the use of their court every Monday night.

With this kind of support and the enthusiasm of our members we now have a solid foundation for our Club and are well on our way to realizing our two greatest aims:-

1.) To provide enjoyable, wholesome recreation for the teens of St. Albert.

2.) To have a Club House of our own. This may seem far-fetched to some of you but you just watch our smoke. We would welcome additional support from any source, and finally we would like to express our gratitude to Mr. Metelenbos for so generously donating space in the Gazette for our use.

The Executive and Members,
The Trio-Teen Club,
St. Albert.

Baptisms:

Phyllis Michelle, daughter of Mr. & Mrs. Edwin Johnson. Godparents Mr. Bruno Berson and Miss Lena Herasnuik.

Jovne Peterson - Phone: 599-6790

The Party Line

This week we have an interesting bit of news for you from our Cherchez la Femme reporter holidaying in Rome. No doubt after reading this you will be green with envy as I was!

"The shopping is fabulous! Those 'all the rage' mohair sweaters we pay \$10 - \$20. for sell here for \$3. - \$5. Imagine this, hand made leather shoes \$7-8; leather purses, also kid leather lined for \$10.-15.; hand embroidered tea sets \$1.-2.; dinner sets, hand cut and embroidered \$10.-12.; kid leather gloves as low as \$1.50, and 8 button length for only \$5.-7. - most are even washable. If one stays out of the tourist centres such as the Centre and St. Peters dist-

riets, this is a lady shopper's Utopia. Another note of interest to you ladies - hairdressers in Rome are very good and the price is right - shampoo and set \$1.00; cut, style and set only \$1.50 and you're invited to return the following day for a comb out for which there is no charge! A manicure is only 30-40¢ and you can have your eye brows plucked and shaped for just a tip (15¢). The rage in Rome with the teenagers is (word of honor) straight hair. Most girls are blessed with beautiful natural curly tresses and spend the money we spend on permanents having theirs straightened! Infuriating isn't it?"

Merle Vacirca.

CLUB NOTES

The ladies of the St. Albert Curling Club and guests enjoyed a marvelous evening at the Club Mocombo last Friday as their windup to a successful curling season. Music was supplied by the Dominos, and a delicious smorgasbord supper was served at midnight. The highlight of the evening was the presentation of the Mocombo Trophy by the president, Rose Fraser, to the Quintel rink from Calihoo, winners of the square draw

These girls are most deserving winners and really a picture to watch as their form is professional. The Committee in charge of arranging this event deserve a hearty thank you.

The Burning Bush Circle met at the home of Mrs. M. Hill, 18 Granville Ave., on April 6th. The meeting was conducted by the president, Mrs. Hanna, who also led the devotions. Mrs. Vanderstraten read the minutes and treasurer's report, also reported on the recent bake sale. Mrs. Lowrie gave the welfare report. Plans were discussed for a fall bazaar and November 14th was discussed as a tentative date. Each member is being asked to have at least one bazaar article ready for the September meeting. Mrs. M. Harvey agreed to convene the social hour to follow the worship service of April 19th which will mark the official formation of the St. Albert Presbyterian Congregation. Mrs. McBrooks is in charge of arranging for supervision of the children for the congregational meeting which will follow this special service.

Another order was placed for greeting cards, etc., to be sold by the group. Mrs. Hanna displayed some of the handicrafts she has made for the bazaar and it was decided some work nights would be held in the fall in preparation for the bazaar.

Lunch was served by the hostess, Mrs. Hill. The May meeting will be held at the home of Mrs. J. Hostler, 16 Sunnyside, with Mrs. Lowrie in charge of devotions.

THE ST. ALBERT ON STURGEON PLAYERS

Once again, let us set the scene for you. The action takes place in the living room of the Martin Vanderhof home in New York which is a beehive of activity including ballet dancing, printing press in action, xylophones playing, etc., etc., intermingled with bursts of gunfire.

In the midst of this, our characters tell the story of a family who have found quite a philosophy for life in this chaotic world.

"Wilbur C. Henderson, Internal Revenue Department" reads the calling card of an unexpected visitor to the Sycamore house. Phil Upright, well known in drama circles for his roles in Children's Theatre, finds a new challenge as the "government man" as he tries to outwit aly old Gram-pa.

"Oh my goodness! J-men", exclaims Mrs. Sycamore as three men suddenly create panic in her living room. Our director Bob Chaput, and our assistant director, Carlee Adams, backed up by Phil Upright, couldn't resist getting into the act of this hilarious scene, where confusion reigns.

The Grand Duchess, Olga Katrina, cousin of the Czar (temporarily employed as a waitress) is played by Jeanne Irwin; quite a change in roles for Jeanne whose heart warming portrayal as the heroine in "The Late Christopher Bean" will be long remembered.

"The Soviet Government! I could take the whole Soviet government and -" and a tall, dark Russian crushes an imaginary Stalin in one palm. That versatile

"What did I do that was so terrible. I threw him on the floor! But when you wrestle again, Mr. Kirby, you will, of course, not wear glasses". So says Boris Kalenkov (Joost Weerheym) to Mr. Kirby (Peter Leonard), while Alice Sycamore (Anita Arundel) looks on horrified.

actor, Joost Weerheym, whom you have seen in a wide range of roles; from a vicious tyrant in "Poppa is All" to a suave, debonair villain in "Curse You, Jack Dalton", is on stage once again with his portrayal of Boris Kalenkov. Donald draws, "What do I think of this government? Pine! I'm on relief! John Van Imachoot rolls his big, dark eyes and gives a shrug as he aptly plays the colored boyfriend of Rheba, the maid. John is one of our teenagers who has been awarded the Drama Scholarship to the Olds Drama Seminar this summer, and we are confident he shows promise of a real future in drama.

Don't miss the comedy "You Can't Take It With You", to be seen at Paul Kane High School on April 17 and 18 at 8:30 p.m. Tickets are now on sale.

"Come, come, you can do better than that. It's eight years now. Entre chant. Entre chant." Boris Kalenkov (Joost Weerheym) instructs Essie (Gladys Smith) as Ed (Cameron Ross) plays the xylophone

Communion was served at the Morning Service. Rev. Dr. Elliott of Robertson Church and President of Alberta Conference was the preacher at the evening service and Rev. Dr. Bainbridge of Buchanan Church and former Supervising Pastor of St. Albert Church assisted Dr. Schwarz in conducting the Service. The Choir was in attendance at both services. Mrs. E.G. Hole was at the organ, Mrs. R. Kittlitz was the soloist and Mr. R. Leggitt was the song leader during the hymn singing at the evening service in the absence of Mr. R. Gilley. The U.C.W. organized a very enjoyable Pot-Luck Supper which preceded the evening service and they provided coffee during a fellowship hour after the service.

Last Friday evening the Triple M (Mr., Miss and Mrs.) Club of the Church held a "Non-Conformist" Social. (Beatnik, that is). The evening program consisted of a number of "mixer" activities, a sing-song, a "beatnik" poetry contest in which Mr. Bert Mockford was judged the winner, a costume contest which was won by Mrs. George Willie, and lunch was served. The devotions were prepared by Mrs. Ed. Schwarz and Mrs. A. Vandenbos and provided the background for the evening's theme of non-conformity. It was pointed out that while we make fun of the beatnik's costumes and ways, the beatnik has a half truth. The beatnik is prepared to live and act in defiance of the conformed way of society but he errs in that he chooses to act as he is motivated from within. The Christian is called upon to live and think in pattern that may be in defiance of society, if such is necessary, in order, not to suit self, but to suit God as He is revealed to us through Christ. Some 50 people participated in the social.
